# Samsung GALAXY SIII Mini

## Welcome to the Samsung Galaxy SIII mini

This Quick Start Guide tells you how to set up your **Samsung Galaxy SIII mini** and use its key features.

## How to Turn on the Device

To turn on your phone to start, press and hold the **Power** key.

Follow the instructions to set up your phone. To turn the phone off, press and hold the **Power** key. A **Power off** warning will appear – tap **Power off** and then tap **OK**.

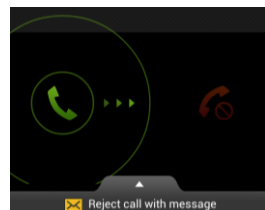

## How to Change Your Profile (Ringtone)

1. From the Home screen, tap the **Apps** icon.
2. Scroll to and tap **Settings**.
3. Tap **Sound**.
4. Tap **Device ringtone**.
5. Tap the desired ringtone.
6. Tap **OK**.

## How to Answer a Call

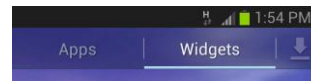

1. When you receive a call, the **Incoming Call** screen opens.
2. Tap, hold and drag the green phone outside the circle.

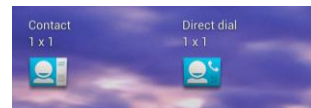

3. To end the call, tap the red phone icon.

## How to Add a Direct Dial to the Home Screen

1. From the Home screen, tap the **Apps** icon.
2. Tap the **Widgets** tab.

3. Locate the **Direct dial** widget.

4. Tap, hold and drag the **Direct dial** widget to the desired home screen.

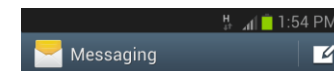

5. When prompted tap the desired contact you wish to add as a direct dial to the home screen.

6. To call that contact, tap the direct dial widget and tap the desired phone number field.

## How to Send a Text/MMS Message

1. From the Home screen, tap the **Messaging** icon.
2. Tap the **New message** icon.

3. In the **Enter recipient** field, enter the recipient's phone number, or tap the **Contacts** icon to select from the contacts list and tap **Done**.
4. Tap the **Enter message** field.

Enter the desired message.

5. Tap the **Send** icon.

## How to Set Up Yahoo! New Zealand Email Address

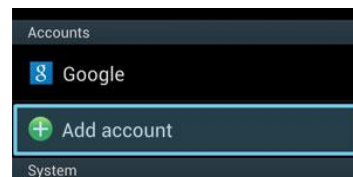

1. From the Home screen, tap the **Apps** icon. 
2. Tap **Email**.
3. If there is more than one email account, tap the **Menu** key > **Settings** > tap the "+" icon.
4. Tap the **account@example.com** field.
5. Enter your Yahoo! New Zealand email address.
6. Tap the **Password** field.
7. Enter your password details.
8. Tap **Done**.
9. Tap the following fields and select the desired option for each of the following:
  - **Peak schedule**
  - **Off peak schedule**.
10. By default, the following setting options are enabled (ticked).  
If desired, tap to amend (un-tick) and disable the following options:
  - **Sync Emails**
  - **Notify me when emails arrive**

- ☒ Sync Email
- ☒ Notify me when email arrives

11. Tap the **Automatically download attachments when connected to Wi-Fi** check box to enable.
12. Tap **Next**.
13. In the **Give this Account a Name** field, enter the name of the email provider.
14. Tap **Done**. Your inbox is now setup for use.

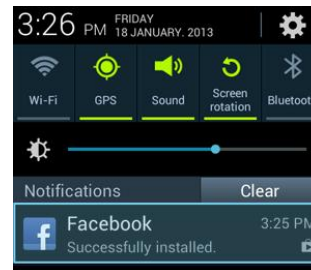

## How to Connect to Your Social Networking Account, i.e. Facebook

1. From the Home screen, tap the **Menu** key.
2. Tap **Settings**.
3. Tap **Add account**.

4. Tap **Facebook**.
5. Tap **Install**.
6. Tap **Accept & download**.

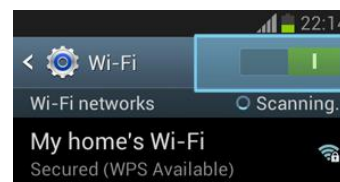

7. Wait while the download is complete.
8. Under notifications, tap **Facebook**.

9. Tap the **Email** field.
10. Enter your Facebook email address.
11. Tap the **Password** field.
12. Enter your Facebook password.
13. Tap **Login**.

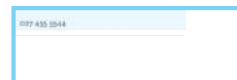

## How to Connect to a Wi-Fi Network

1. From the Home screen, tap the **Menu** key.
2. Tap **Settings**.
3. Tap **Wi-Fi**.
4. Tap the Wi-Fi slider so it is switched to **ON**.

5. A listing of detected Wi-Fi networks will be displayed.
6. Tap the desired network you wish to connect with.
7. If the network is secured, enter the password.
8. Tap **Connect**.

## Install and View Usage on the Spark App

1. Open the Play Store and search for **Spark** NZ. 
2. Tap and install the **Spark** NZ app.
3. Wait for install to finish.
4. Press the Home Key.
5. From your app drawer, tap the **Spark** icon.
6. Tap Register.
7. Enter your mobile number and tap Next. 
8. Enter the SMS validation code and your desired password in the required fields.
9. Tap Sign In.

10. Tap the Menu button in the top left corner.
11. Tap My Usage.

Note: By default you will be automatically logged in whenever you open the **Spark** App in the future.
