

# iPhone Schedule of Disconnection Fees

11 November 2011

The schedule below outlines the fees that you must pay if you have purchased an iPhone and signed a contract for a specific term and it ends before the expiry of that term. This schedule is deemed to form part of your contract with Telecom. This schedule takes precedence over any other schedule of disconnection fees, including the schedule of disconnection fees listed in the Telecom Mobile Postpaid Agreement (WCDMA Network).

The disconnection fee charged depends on the plan and the number of months remaining of the contract term.
