

SCHEDULE OF DISCONNECTION FEES AND TRANSFER CHARGES

This schedule forms part of your Mobile Postpaid Agreement with Spark.

The schedule below outlines:

- The fees that you must pay if you have agreed to a contract for a minimum term and your contract is terminated, and
- The fees that you must pay if you have agreed to a contract for a minimum term and you decide to transfer to a plan on a lower tier during this term.

These fees are a genuine pre-estimate of the losses we suffer when your contract is terminated before the end of the minimum term or when you transfer to a lower tier plan during the initial period of your minimum term.
