**AUTOMATED VEHICLE LOCATION APPLICATION**  
**Open Term Contract**

**Service Schedule**

## SCHEDULE – LOCATE+

**Introduction:** This Service Schedule describes the Locate+ Services Telecom will provide to you.

The terms and conditions of your Master Services Agreement (“MSA”) or Telecom Business Agreement (“TBA”) with Telecom, or if you do not have either of those agreements, Telecom’s general terms as detailed on Telecom’s website (see <https://www.telecom.co.nz/businesscontracts>), will apply to the Locate+ Services you take from Telecom. To login, please use the following:  
 Login: onlineinfo@yourtelecom  
 Password: YH72AX

**Product Specifications:** The standard Product Specifications and Navman Terms and Conditions detailed at <https://www.telecom.co.nz/businesscontracts> form part of this Locate+ Service Schedule. Please ensure that you read them; they provide standard details for the Locate+ Services provided to you by Telecom.

**Initial Term:** There is no set term.

**Account Number:** <<Insert customer’s account number >>

**Signatures:** The contacts and signatures for this Service Schedule are:

## SERVICES AND FEES

This section sets out information about the Locate+ Services we will provide to you, and the pricing for those Services. You have agreed to purchase your requirements for the following Locate+ Services from us. All prices are in New Zealand dollars and exclusive of GST.

### 1. Installation Fees

These Installation Fees are provided as indicative for your information only and may be subject to change. The Installation Fees are based on vehicles being available for installation during normal Business Hours and will be invoiced directly to the Customer by Navman's Approved Installers, without reference to Telecom.

Description	Unit Fee	Quantity	Sub Total
Installation (approximately x.x hours labour)	\$xx.xx	x	\$xx.xx
<b>Total Installation Fees</b>			<b>\$xx.xx</b>

### 2. One-Off Fees

Description	Unit Fee	Quantity	Sub Total
Navman CDMA Halo Qube (YMDN5)	\$1499.00		
Mobile Data Terminal (YMDN6)	\$499.00		
M-Nav Terminal (YMDN7)	\$1499.00		
Extended 36 month Qube Warranty (YMDN8)	\$120.00		
<b>Total Hardware Fees</b>			<b>\$xx.xx</b>

Within the term of this Agreement, you may request the connection of additional devices under this Service Schedule. A change of this nature should be made via email and will not require a formal contract variation. Hardware and installation fees will be advised at the time the request is made.

### 3. Fixed Monthly Fees

Fixed monthly service fees are invoiced in advance. Invoicing will commence at the time of connection of the device. Telecom is not responsible for any delay in installation on the customer's or installer's part, or for the customer's non-use of the service.

Description (YMDN1)	Unit Fee	Quantity	Sub Total
The Fleet Manager monthly service fee includes: <ul style="list-style-type: none"> <li>• Tracking service charge</li> <li>• Mapping software license and maintenance</li> <li>• Hosting and management fees</li> </ul>	\$55.00	x	\$xx.xx
<b>Total Fixed Monthly Fees</b>			<b>\$xx.xx</b>

### 3. Usage Fees – Mobile Data Plan

Usage fees are invoiced in arrears and include charges for any usage over the free monthly MB allowance.

Description	Free MB Allowance	Fee per MB Data Transmission
Mobile Data Plan	10MB per month	\$1.00

Notes:

1. The monthly allowance of megabytes included in plans are used up in 10KB 'packets', with additional charges for any 10KB packets over and above the allowance.
2. Data usage for each data session is charged or allocated against the customer's allowance in whole 10KB packets, with part packets rounded up.
3. A Mobile Data Plan applies to an individual connection.
4. Data Plans are not available on Prepaid Connections, as an ongoing billing relationship is required.
5. Note that dial-up connections (for example, dialling Xtra on 087303030) are not covered by these data plans, and are charged on a time basis.

# Guide to Viewing Contract Information Online

## Viewing Contract Information Online

The contract you have with Telecom refers to Product Specifications and General Terms held online. You can view these by visiting our website at:

<http://www.telecom.co.nz/businesstermsandconditions>
