- (a) Replace **your insured device** with a refurbished device. See section below 'If **your** insured device is replaced' for further information; **or**
- (b) We will attempt to repair **your insured device** where possible. If **we** are unable to repair **your insured device** through **our** repair partners or if **we** determine it is beyond economic to repair, **we** will replace **your** insured device with a refurbished device.

In the event **your insured device** is **lost** or **stolen**:

- (a) **we** will replace **your insured device** with a refurbished device. See section below 'If **your** insured device is replaced' for further information. **We** will also replace any in-box, manufacturer supplied accessories that are **lost, stolen** or **accidentally damaged** as result of the same incident that leads to a successful **claim** for **your insured device**.
- (b) **we** will reimburse to **you** for the actual charges (calls, text message and data) incurred on **your** Spark pay monthly account, limited to the maximum limit as stated at **your** Policy Schedule. **We** will require itemised airtime bills in order for **us** to pay any **claim** for **unauthorised use** charges.

The replacement will be from refurbished secondhand stock that has been tested and is fully functional. It will come with a warranty with an equivalent length to the remaining period of the manufacturer's warranty from the original **insured device**, or 30 days from the date of replacement, whichever is longer. The warranty is provided on the same terms as the warranty that was provided by the manufacturer of the replacement device.

We will make every effort to replace **your insured device** with one of the same brand, model, and specification, but due to the fast evolution of **insured devices** this cannot be guaranteed, nor can **we** guarantee to replace limited or special edition **insured devices**.

In the event of a replacement, **we** will keep **your** original **insured device**. Where your **insured device** is **lost or stolen** it will become **our** property and must be passed on to **us** if recovered or found.

How to Make a Claim

Please visit spark.co.nz/device-insurance on how to make a **claim**, or speak with one of our team directly by calling **us** on 0800 SPK INS (0800 775 467).

We can take proceedings against any responsible **third party** at **our** own expense and for **our** own benefit but where applicable in **your** name to recover any payment **we** have made for repairing or replacing **your insured device** and accessories. **You** hereby assign to **us** any relevant rights against such **third parties**. **We** are also entitled to receive all necessary information, documentation, and assistance from **you**.

Providing Correct Information

You (or any person providing information on your behalf) must make sure that all information provided to **Chubb** is complete, true, and correct.

If incorrect, incomplete, or fraudulent information is supplied to **Chubb**, **we** may refuse to pay **your** claim and/or end **your** policy from the date **you** provided incorrect information.

If **you** fraudulently provide **us** with false information, statements, or documents, **we** will record this on antifraud databases and may also notify other organisations.

We may choose not to offer cover in the future to **you** or anyone connected with **you** if **we** suspect fraudulent activity on this or any other associated insurance policy, and **you** may be prosecuted.
